Reviews, Comments, Recommendations, Testimonials When finding a hydraulic system we tested a lot of brands, but we wanted some affordable, but it brings amazing results. We found him with a faceless serum! We can adapt treatment to the needs of our patient and have amazing results! Deidra Blanks, M.D. FACSFAayetteville Otolaryngology1839 Quiet CoveFAayetteville, N.C. 28304910.323.1463www.fayent.com Ageless sera have taken our Hydrodermabrasion treatment to the next level. Great customer service, education and results by expired ingredients! The possibilities are endless for the tailored treatment dr. Blanks, our aesthetic and our patients love it! We have all the serums on offer, and without one we wouldn't have gone. We recently added an infusion of the run-free growth factor. Love!!! J Fayetteville OtolaryngologyCatie Jo Smith, Aesthetic Services1839 Quiet CoveFAayetteville, NC 28304910.323.1463www.fayent.comHello, I just bought an all-in-one hydrated machine (no, not a very accessible Edge system). Quite quickly, with research, I found that the Edge system is well above the price, above the price of consumable time, and found that there must be other machines that can do the same thing at a fraction of the cost. I came across your website through a question I participated in on the FB Esthetician Think Tank site. I was looking for serums and protocols to use them with a new machine and had an appointment with my este had to write some protocols – but I found them on your site! What an amazing site this is – spare me so much time!! And solutions are exactly what I'm looking for. Are you able to guide with what to buy? Thank you so much for your educational site too.C.K. Renew SpaRene' just wanted to take a moment to tell you how much I and my clients appreciate your expertise and help in choosing Ageless Serums. I own hydrated skin refiner and recommend your products to all my customers. We are all satisfied with how easy it is to use your pre-mixed serums with our machines. The component of the deck is stellar and the cost is attractive. Customers comment on how happy they are with the products. I look forward to all products, you can get out with them. Brenda GilberB*G*Makeovers Corrective Skin Care & Day Spa Thank you Rene' for delivering truly effective products. Our skin subscribers have a lot to gain from your high performance serums. Mellisa Coates LEI started using Ageless Serums for my HydraFacial machine shortly after buying the unit. HydraFacial is almost impossible to buy products after a huge price increase. At first, I was nervous about the switch, but after 30 days of using products in my clinic, I was more than relieved. The products bring fantastic results that leave me and our customers more than happy with the results. Rene' is easily accessible and available to answer all my questions regarding ingredients, products and skin care technology. My new business thrives thanks to people in the industry like Rene' and his products in Ageless Serums. JenniferOwner How good a conversation I had with Rene from Ageless Serums. He's had a lot of knowledge since he worked for hydrafacial md. I was so impressed by his knowledge of equipment and products. If you are looking for a real person who has been in the industry regarding these types of machines call him a number on the website you will not regret. The handkerchief technology is really cutting-edge. It can explain why. Such a nice person. I appreciate you!!! Tanya C. Galindez-Matos LEAs I compared The Edge Systems serums with Ageless Serums. It seemed that my customers were more enthusiastic about their results after using your products. Jan, East CoastRene is great! He started with a machine that was pictured above so he could guide me. Now he's selling his version. Great guy. I like the serums I can use with him. Shannon Jones-DrakeRené is an expert in the services of hydra for the face and silk peels. I would recommend to him and his company anyone who would like to interfere in this area of aesthetics. Services are much more luxurious than other types of micro dermabrasion or facial. Patients love them. It's all about hydration, and the patients are glowing. Its products are paired with competitors at significantly lower prices. Cynthia. Blalock MDDear Rene, we liked your serums! Really! Yulia Prytula Russia We are currently buying your serums for our 2 devices and we love them! Thank you for creating this line. Northwest Rene's plastic surgery clinic, so I'm happy with the products and services. I can't thank you enough for all your help. The products are amazing!!!! I highly recommend these products. Thanks once again Janice Todd We use runaway serums with our Hydra skin refiner. I like our machine, and the serums are really nice. Crystal S Blanchard LE Ingredient deck on products is worth taking a look ladies!! Thanks again to Rene for all the information and help. I'm looking forward to getting them. Tanya C. Galindez-Matos LE Rene' So I am grateful for your products and services. You are very helpful in skincare has increased since I started using your products. Your products are excellent at significantly lower prices. I recommend to anyone who is interested to give the best to their customers and wants to succeed in the skincare industry. Surinder Singh New Jersey I am so grateful for your product and service. I'm glad you can continue without delaying from (%#%). I'm sure I'll get more in the future. E. California We had excellent results with Ageless Serums– at least if not better than other hydraulic serums. J.P. London, UK We use Salicylic Wash, Skin Brightening then Ageless Antioxidant. I've used this combination for multiple clients with incredible results. J. Atlanta, G Bigger size, less money, better results, ... What is it that you don't love in homeless serums? Dr. H. Miami, FL. What's New at Ageless Serums Ageless Growth Factor InfusionA high tech Anti-aging skincare formulation with: A Peptide, which comes from an inhuman source using biotechnology recombinant DNA also known as Epidermal Growth Factor. This helps to accelerate the reproduction of epithelial cells. Synthetic tripeptide, which slows down the aging process of the skin. It mimics organs using its own mechanism to promote collagen production and protect against collagen degradation. The first hexapeptide against wrinkles with Botulinum Toxin as an action mechanism. Reduces the depth of wrinkles caused by muscle contraction during facial elimination. Sodium Hyaluronic Binds more than 10,000 times its own weight in aqua, which is ideal for increasing hydration plus excellent emollient Peptide Infusion Updated formulation in serum 3 Peptides (3rd generation plant based) Plus Hydrafacial hydrafacial hyaluronic acid treatment is the latest advance in non-laser skin restoration. HydraFacial is the only hydraulic procedure that combines cleaning, exfoliation, extraction, hydration and antioxidant protection at the same time, resulting in clearer, finer skin without discomfort or interruption. Treatment is waved, moisturizing, non-invasive and irritating. HydraFacial treatment improves the appearance of fine lines, wrinkles, puffocation and enlarged pore, oily or acne-exposed skin, hyperpigmentation and brown spots. Expires your skin tones It works with any type of skin Shrink pores Compatible with your personal beauty regimen Is effective, Uptopuno safe i uninavazivan Does not require that the restoration i not smanje on nuždu Visible results from the first skin therapy looks like i feels fresh It is a hopeful natural poked for muscat i womaniaMate effect of water via watery lycra, hydrodermabrasion therapy targets the slippery layer of skin that exfoliate i odaje smoother, but i texture. Known as a celebrity facial, hydrodermabrasion is the latest and greatest way to remove dead cells from the skin to eliminate dark spots and hyperpigmentation. With less pain and irritation than traditional treatment with diamonds, this new uses water and oxygen for effortless skin peeling. No wonder the treatment is popular with celebrities like Charlize Theron. The advantages of hydrodermabrasion with this technology may include refreshing the appearance and texture of the skin, as well as increasing the absorption and penetration of active components into the skin. Facial hydrodermabrasion can even be ideal for skin rejuvenation for one-off special events such as weddings. Treatment can also be combined with other shelled and laser treatments as part of a complete skin care regimen. Treatment options hydraFacial Hydrodermabrasion : Hydrodermabrasion Luxury Custom Facial – ultimate deep cleaning experience and embody empire mode – 60 minutes High performance treatment for refinement, restoration, beautification, beautification, tightening, smooth, stimulating, calm and hydrating of the skin. Treatment is completed with hydration and protection against premature signs of ageing with natural souring cream or serum to preserve lines and wrinkles, hyperpigmentation and dark spots in the bay. Am I a good candidate for hydrodermabrasion? Absolutely. Hydrodermabrasion is one of the most gentle but also dynamic skin treatments currently Market. It does not pose a risk of irritation and allows your aesthetic to treat the skin when it is most susceptible to product penetration. Treatment is an uninvasive exfoliating and product delivery system. Your skincare expert will choose specific products tailored to your needs for maximum results. For example, salicylic for someone who suffers from acne underskin or vitamin C for general anti-aging care. HydraFacial procedure is suitable for most skin types, including thin or aging skin, ethnic skin, and dry skin or oily skin. Start your skin maintenance program now with HydraFacial to slow down the process of skin aging and delay the need for invasive procedures How much hydrodermabrasion treatment is needed? Although even one treatment of hydrarabrasion will let you immediately notice the difference, for the best results you need to consider more treatments. Your technician can give you a rough idea of the number of sessins that are needed for the best results. Major changes are evident after the fifth session, although most patients say they have seen improvements after the first two. Most technicians suggest 6 to 10 treatments planned about two weeks apart so that the skin has time to recover. After the recommended number of sessions, you may need to schedule another treatment once every two or three months to maintain the effects. Effects.
